

REMARKS

This application has been amended, via submission of a substitute specification in compliance with 37 CFR 1.125, to incorporate the amendments made by Article 34, to insert headings in the specification, and to correct minor errors noted upon a review thereof. I hereby certify that the substitute specification contains no new matter. The application has additional been amended to incorporate amendments to the claims under Article 34, to eliminate multiple dependencies in the claims, to place the claims in conformance with preferred U.S. Patent Office practice without narrowing the claims, and to add an Abstract of the Disclosure. Entry of the amendments and early consideration and allowance are respectfully requested.

Authorization is given to charge any fees in connection with this or any other communication, or credit any overpayment, to Deposit Account No. 50-1170.

Respectfully submitted,
